FYI

It sounds like we should explore with our state and federal partners what our “papering off” options are, if any and then develop our approach and collective response to SGC. May need an internal meeting first?

**Subject:** Collaborative Effort to Improve Animas River Water Quality

Dear Gentlemen and State Director:

Please see the attached Letter. We greatly value the opportunity to continue to work collaboratively with you to improve water quality in the Animas River.

Regards.

Greg
